

# **SHOOT LISTER**

## 20-03-2020 to 27-03-2020

The details of scene artist are recorded and the scheduling and script details are only accessible to artists who are involved in a particular scene. Hence we can avoid the problem of accessing all information with out any permissions. The scene artist details are added by the director.

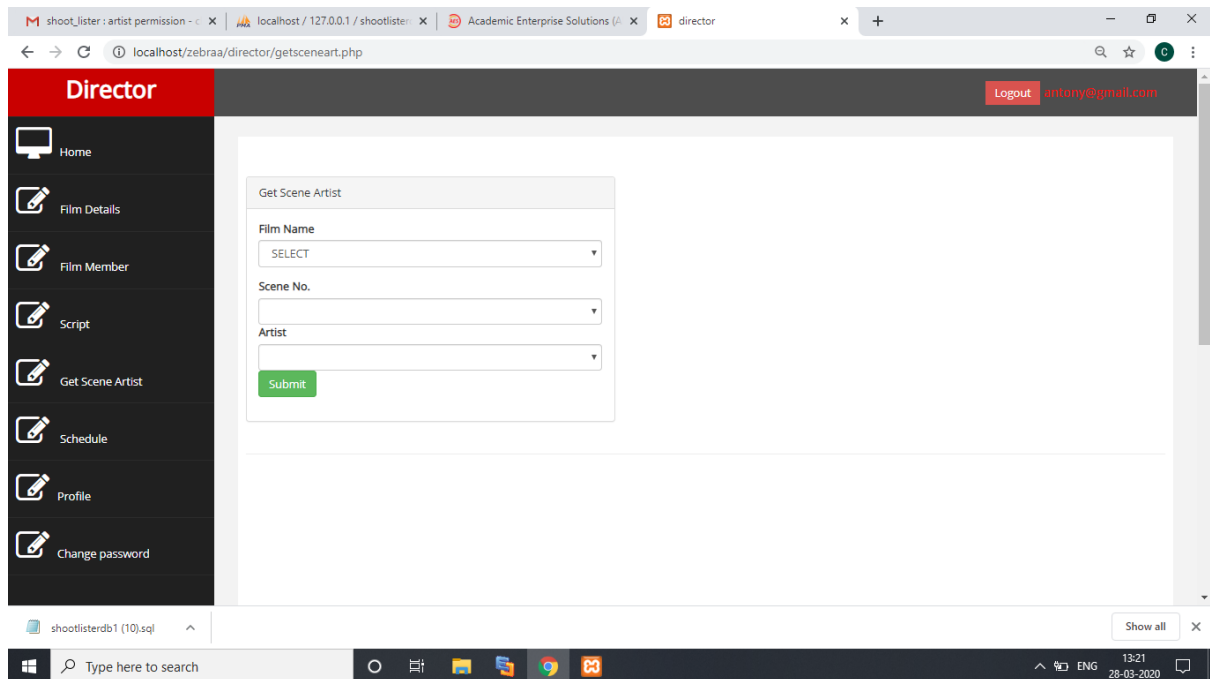

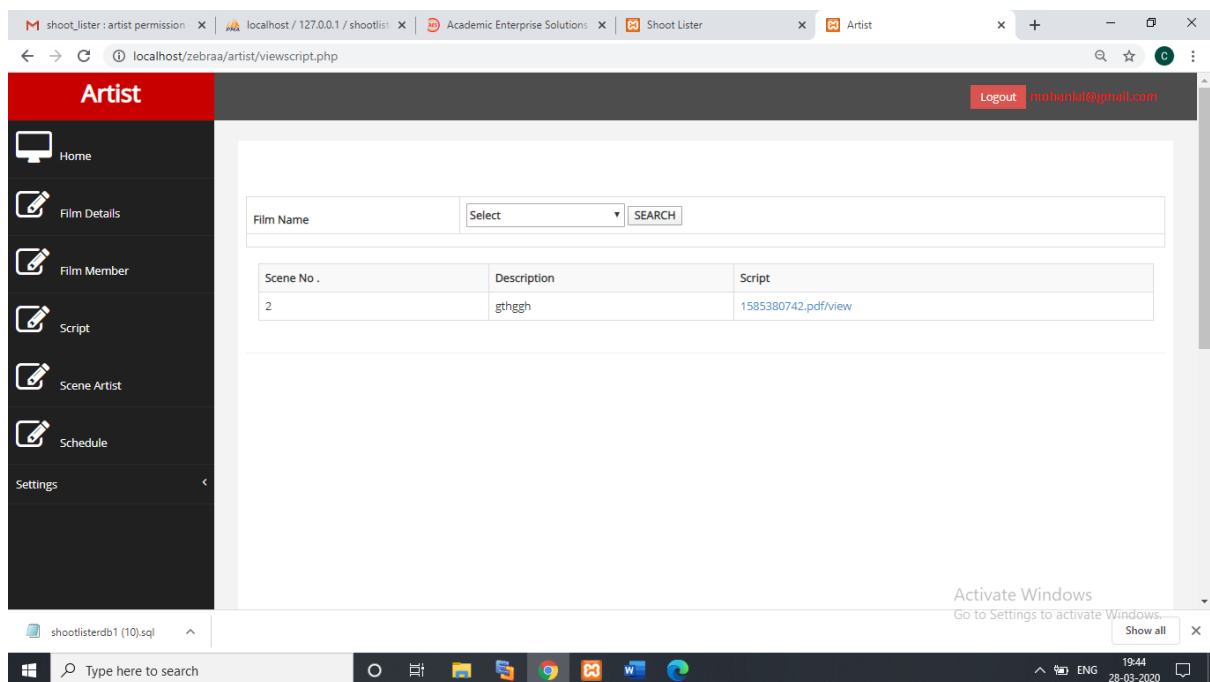

Fig 1: Here the details of scene artist are entered.

Fif 2: Here the artist is part of scene 2 so he can view only the script of scene 2.

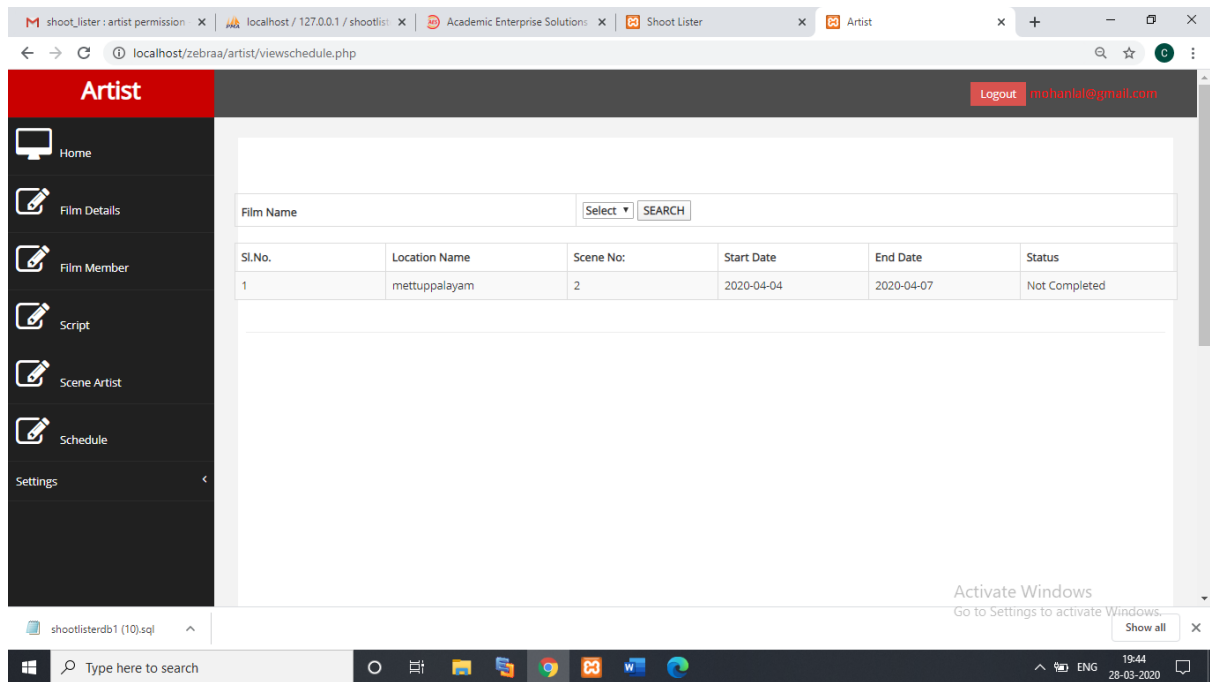

Fig 3: Here the artist can view only the schedule of scene 3.
